Mr. F. Craig Meadows
County Administrator
Montgomery County Government Center
755 Roanoke Street
Christiansburg, Virginia 24073-3181

Dear Mr. Meadows,

Thank you so much for your timely reminder that I needed to notify you as to my intent regarding my desire to be reappointment to the Montgomery County Parks and Recreation Commission. I believe that I can continue to offer support and be a viable spokesperson for the Parks and Recreation Commission and support Mr. Mitchell Haugh in all of his endeavors. I feel that the Parks and Recreation Commission is a place where my experience as a mother of children who participated in all the offerings; my experience as a coach through my children's elementary experience and my professional background give me a discerning eye to all of the programs that are offered to the citizens and especially the children of our county.

Please accept this email/letter as my request for and my commitment to serving Montgomery County as a member of the Parks and Recreation Commission beginning in October when my current term ends and the next term would begin. I believe the next term is 3 years in length.

It is a pleasure to serve Montgomery County in this capacity.

Sincerely yours,

Susan M. Miller
