Dear Mr. Meadows:

First of all, thank you for enabling me to serve this last year as a member of the New River Valley Agency on Aging Board of Directors, where I now serve as treasurer. I would like to continue serving on this board.

I will be happy to comply with whatever rules you have regarding appointment to the Agency on Aging Board of Directors. Please contact me with instructions as to where we go from here if you need anything more from me.

Thank you for your consideration.
