Dear Mr. Meadows,

Once again the Montgomery County League of Women Voters is approaching Montgomery County area governments and businesses like yours for support in funding our 2016 FACTS FOR VOTERS. Without such support we will not be able to provide this useful publication for our community.

We are again asking Montgomery County for a donation of $200, which will guarantee you a minimum delivery of 500 FACTS when the brochure is completed in early 2016. Your payment would not be due until that time.

I would appreciate it if you would phone or email me with your response at 540-394-0150 or amauldon@gmail.com.

We sincerely hope that you will continue to support our efforts to provide the public with this valuable source of information.

Sincerely,

Amy Mauldon
Co-President
