

# Vision benefits at [myuhcvision.com](https://myuhcvision.com)

Get the most out of your vision benefits. [myuhcvision.com](https://myuhcvision.com) has practical tools and personalized information for your vision care. Register at [myuhcvision.com](https://myuhcvision.com) and connect to view, learn about and manage your vision benefits.

## Great reasons to use [myuhcvision.com](https://myuhcvision.com)

**1 Learn about vision health conditions, treatments and procedures.** Our vision health information is in plain English and gets right to the point. Learn about the latest techniques and view current news. You also have resources such as a vision terminology section, so you can understand the words used in your vision treatment plan.

Help with selecting a frame. Tips to consider for adults and children and what is best suited for each face shape. Lens options to consider for you or your spouse and what is appropriate for children as well as what lens options are suggested based on your lifestyle and needs.

**2 Locate and get information about optometrists and ophthalmologists.** Locate the most convenient network optometrist or Ophthalmologist for you and your family. You can search for a provider nearest your home or office, and find locations offering features such as wheelchair access, additional languages spoken, driving directions or weekend office hours.

▶ [Select Provider Locator](#)

**3 Check your in-network and out-of-network vision claims history online.** Research vision claims by date, determine claim status, view and print claims details, all real-time and up-to-the-minute. You may also download an out-of-network claim form.

While there if you don't see your provider you can wish to nominate them via the online form and UHC will make every attempt to contact them.
