

America's Counties top Prescription Discount Card Program just got stronger
new website is easier to use and provides more tools

The website is specifically designed for the National Association of Counties (NACO) Prescription Discount Card Program, once again reinforcing the value NACO, participating counties and state associations of counties bring to residents.

It's free and easy to use. Tens of thousands are already taking advantage of this prescription discount program, so spread the word – instant savings on prescription drugs are just a few clicks away. Here's an introduction of features designed for ease-of-use and flexibility for residents.

- 1 New shortened URL | www.nacors.org
- 2 Mail Service removed from the home page and added to the FAQs.
- 3 User-enhanced quick links for easy access.
- 4 Dynamic "using the map" tool, so residents can enter their ZIP code and see if the county participates in the program. Replaces a link to a PDF document sorted by state.
- 5 New content: **Drug Information Module** allows for selection of English and Spanish language. **Drug Search...** displays patient information on medications. **Check Interactions** allows the user to list their medications and check for interactions on all medications. **Pill Identifier** displays pill images.
- 6 New content: **Pet Meds** information on using the program for pets.
