## TERMS AND CONDITIONS FOR WATER/SEWER ACCOUNTS

No water/sewer lines or additional water/sewer lines shall be extended from the premises of the account to serve any other property or building.

1. Water meters may not be tampered with or accessed for any reason.
2. The PSA will not be responsible for water flow or pressure to building in the event either is inadequate due to building elevation or size of public water main.
3. The PSA will not be responsible for any interruption of service for any reason.
4. The PSA will not be responsible for continuing to furnish water and/or sewer service to said premises in the event furnishing said service from any connection, in the judgement of the PSA authorized official(s), proves detrimental to one or more customers of the PSA water and/or sewer system. Furthermore, the PSA may after 30 days written notice to the current account holder, successors or assigns, discontinue water and/or sewer service to said premise without refund by the PSA for any expenses incurred by the current account holder, successors or assigns in making any connection to the to the PSA water/sewer system.
5. Bills are mailed out monthly. Bills are due 20 days after the billing date and if not received by the 20<sup>th</sup> day, a 10% penalty will be added.
6. PSA will require two (2) working days to collect final meter reading and turn off water meter after notification by customer named in the account.
7. Service will be disconnected if bill is not paid 50 days after the billing date, (30 days after due date). The PSA is not responsible to provide prior notice before disconnection of service. A \$50 disconnection fee shall be charged for water only and water & sewer accounts. A \$100 disconnection fee shall be charged for sewer only accounts. Once service is disconnected, the total account balance (bill amount, 10% late penalty and disconnection fee) must be paid to restore service.
8. The PSA will utilize available methods to collect on delinquent accounts to include property liens and warrant in debt process that could result in income tax setoff or garnishment of wages.
9. In the event water/sewer service is disconnected at the request of the owner, in writing, all applicable facility and connection fees must be paid to reestablish service, unless the monthly service fee is paid for each service.
10. In the event water/sewer service is disconnected for a period of 3 years or more for nonpayment of a bill, all facilities will be physically removed by the PSA, and all applicable facility and connection fees must be paid to reestablish service.
11. Providing false information on this form may be cause to disconnect service and may be cause for legal action against those certifying false information.
12. Accounts will be closed 10 business days after disconnection for nonpayment if the outstanding account balance is not paid in full. After closing the account, the security deposit shall be applied to the account balance. The PSA will bill any remaining account balance or refund any funds leftover. To reestablish the account after the 10th day, a new account with all required documentation, transfer fee, payment of any outstanding balance, and new security deposit shall be required.
13. In the event of an account being closed for nonpayment twice within a rolling 12 month period, the customer will be required to provide a security deposit of \$150.00 for each service. If the same account is closed 3 times within a rolling 12 month period, the customer will be required to provide a security deposit of \$180.00 for each service. Any security deposit collected shall be refunded without interest, when service is discontinued, after deducting any outstanding account balance.
