CALL TO ORDER

The Chair called the meeting to order and welcomed the State Legislators and representatives. The purpose of the meeting was to hold discussions with State Legislators regarding 2013 legislative priorities.

Montgomery County Board of Supervisors Legislative Priorities

Chair Politis thanked the legislators for the opportunity to address issues of concerns for Montgomery County. Of particular concern to Montgomery County is the continued shift of state responsibilities to localities through mandating services without full or partial funding, along with what has become an annual reduction of state funding to localities, whether the dollars are generated at the state or local levels. Another major concern is the discussion of shifting the responsibility of secondary road maintenance to localities. This would be a serious burden that can be stopped before it is shifted to localities.

A copy of the 2013 Legislative Priorities adopted by the Montgomery County Board of Supervisors for consideration during the upcoming General Assembly session was distributed. Montgomery County's legislative priorities are as follows:

- ***Ending Unfunded Mandates on Local Government*** by reducing state mandates in proportion to state revenue reductions. Also, shifting the delivery of state services such as transportation should end. **RESPONSIBILITY FOR SECONDARY ROADS SHOULD NOT BE SHIFTED TO LOCALITIES.**
- ***Restoration of Previous State Budget Cuts and Ending Future Reductions*** in the two areas where the state has served as a partner with local government: public education and public safety.
- ***Strengthening the Diversity of Local Revenues by Sharing Income Taxes or Other Revenue Sources in Support of Local Services*** by distributing a percentage of individual income tax revenues, providing the authority to levy a local income tax, or allowing other sources to generate revenue locally for locally delivered services.
- ***Strengthening the County's Revenue Base by Enacting Equal Taxing Authority*** by eliminating the distinction in the taxing authority of Virginia's cities and counties.
- ***Recognizing the State's Role in Funding Quality Education*** by fully funding the state Standards of Quality (SOQ), basing teacher pay raises on actual positions, not just SOQ.
- ***Ensuring 100% of Administrative Funds for the Comprehensive Services Act (CSA)*** and increasing state matching share for all CSA costs.
- ***Providing State Funding for 100% of the Costs of Optical Scan Voting Machines.***
- ***Increasing State Aid to Library System*** and ensuring no new cuts in state aid to the library system.
- ***Processing and Marketing of Industrial Hemp*** Montgomery County supports efforts by all levels of government to allow cultivation, processing and marketing of industrial hemp.
- ***Strengthening the County's Revenue Base by Enacting Legislation to Allow Liquor by the Drink at the I-81 Exit 109 and Exit 128 Interchanges*** We request support for legislation allowing mixed beverage license and sale at the I-81 Exit 109 and Exit 128 Interchanges.

Each Board member had the opportunity to speak on issues or concerns they had and the State Legislators were given the opportunity to address the Board on their thoughts.
