

HUCKLEBERRY TRAIL BRIDGE CLOSURE EXTENDED THROUGH NOV. 8 DUE TO DELAYS

Montgomery County, Virginia • The Huckleberry Trail Bridge closure for bridge deck replacement has been extended through Nov. 8 due to construction delays.

The bridge crosses over the Norfolk Southern Railway and Crab Creek (located between the New River Valley Mall and Merrimac Road). There are no detours available for this route. The trail will remain open for use on either side of the bridge, though the full length of the trail will not be accessible while the bridge deck is replaced.
